

UHF MINI ANTENNA

UHF compact far-field antenna

A-UHF-MINI-120

Product info

- EPCglobal UHF Class 1 Gen 2 / ISO 18000-6C RFID antenna
- Compact UHF far-field antenna
- Perfect solution for installations with space limitations
- Easy mounting

Product Description

The UHF MINI Antenna is ideal for all installations with space limitations and requiring a small antenna such as inside machines, UHF antenna upgrades, return units, etc.

The antenna is housed in a plastic enclosure that can be directly mounted on the return unit structure.

It's offered with a 3 meters RP-TNC cable included.

UHF MINI ANTENNA

A-UHF-MINI-120
